David B. Dellenbach

Shareholder

David B. Dellenbach uses his background in both English and Chemistry to help clients with the preparation and prosecution of chemical and mechanical patent applications, design patent applications, trademark applications, and licensing in both international and U.S. IP arenas. He has worked extensively with clients in chemical, mechanical, and life sciences. Mr. Dellenbach also serves on the faculty of the University of Utah's S.J. Quinney College of Law as an adjunct professor, teaching trademark and unfair competition law and practice.
