Workman Nydegger to Attend U Startup Launchpad During Biohive Week 2026

As a proud sponsor of the University of Utah Technology Licensing Office, we're honored to support the innovators, researchers, and entrepreneurs shaping the future of science and technology.

The Startup Launchpad is a one-day summit bringing together founders, investors, and industry leaders to explore cutting-edge ventures and build meaningful connections. It's an incredible opportunity to experience the energy of Utah's entrepreneurial ecosystem and collaborate with those driving the next wave of innovation.
