

Workman Nydegger Recognized in the IAM Patent 1000 2026 Edition

May 28, 2026

The 2026 edition of the *IAM Patent 1000* ranking has recognized Workman Nydegger as one of the leading patent law firms in the United States: Utah jurisdiction.

The following attorneys were recognized for their outstanding contributions:

- Adrian Lee – Prosecution
- Brittany Frandsen – Next Generation: Recommended
- David Johnson – Litigation
- David Todd – Litigation
- Jens Jenkins – Prosecution
- John Guynn – Prosecution
- John Stringham – Prosecution & Transactions
- Justin Cassell – Prosecution
- Mike Frodsham – Prosecution
- Sterling Fillmore – Prosecution
- Timothy Nichols – Transactions

In addition, Workman Nydegger was recognized as a Gold firm for its strategic approach to complex intellectual property matters and its ability to help clients proactively avoid and resolve IP conflicts. Widely praised for combining deep technical capability with a genuinely client-focused approach, the firm was noted for delivering “very professional, high-quality patent services” with efficiency and responsiveness. With more than four decades of experience and a deep bench of attorneys spanning nearly every scientific and engineering discipline, Workman Nydegger is uniquely positioned to advise clients across the full intellectual property lifecycle. The ranking also highlighted the firm’s strong reputation among technology-sector clients, who value its sound legal judgment, dedication, practical business approach, and cost efficiency.

At Workman Nydegger, we remain committed to providing close, strategic counsel to support our clients in the protection and commercialization of their innovations.

The *IAM Patent 1000* is a leading global guide that identifies top patent professionals, serving as a trusted resource for businesses and individuals seeking world-class patent expertise. For more details, visit www.iam-media.com.
