WN Clients VMT Technologies LLC and Packsize LLC tops at 2012 Utah Innovation Awards

May 14, 2012

Workman Nydegger is pleased to announce that two of its clients were awarded top honors in their respective technology categories at the 2012 Utah Innovation Awards banquet held on May 1, 2012. VMT Technologies, LLC was the winner in the '*Clean Technology and Energy*' category, while Packsize, LLC was the winner in the '*Mechanical Systems/Chemicals/Manufacturing*' category. These outstanding achievements are the result of hard work, dedication and a firm commitment to innovation, and we extend our congratulations to VMT Technologies and Packsize.
