Workman Nydegger Patent Lawyer John C. Stringham Listed in Best Lawyers in America®

November 1, 2013

Mr. Stringham's practice includes preparation of patent, trademark and copyright applications as well as licensing, publishing and other agreements related to intellectual property. He also engages in inter partes proceedings before the United States Patent and Trademark Office and due diligence investigations regarding intellectual property portfolios.

Since it was first published in 1983, Best Lawyers® has become universally regarded as the definitive guide to legal excellence. Because Best Lawyers is based on an exhaustive peer-review survey in which almost 50,000 leading attorneys cast nearly five million votes on the legal abilities of other lawyers in their practice areas, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in Best Lawyers is considered a singular honor. Corporate Counsel magazine has called Best Lawyers "the most respected referral list of attorneys in practice."
