

Workman Nydegger Attorneys to attend the E&I Summit

We're proud to announce that our attorneys Charles Meeker, John Stringham, Logan Christenson, and Matthew Todd will be attending the 2025 Entrepreneur & Investor Life Sciences Summit, presented by Wilson Sonsini, on March 13, 2025.

Now in its 12th year, the E&I Summit is an event that gathers Utah's life sciences leaders, entrepreneurs, and the investor community. This year's summit features a lineup of speakers, national and local investors, and a variety of Utah life sciences startups. It's a unique opportunity to explore the latest innovations, trends, and opportunities shaping the future of the life sciences industry.

Our team is looking forward to engaging in thought-provoking discussions, sharing insights, and connecting with the incredible minds driving innovation in this dynamic field.

If you're attending the summit or would like to connect with our team, we'd love to hear from you! Please reach out at info@wnlaw.com.
