

# George Chen

## Registered Patent Agent

---

George Chen focuses his practice on intellectual property law, with a particular emphasis on securing and managing U.S. and international patent protection. Fluent in English and Mandarin with a working knowledge of Japanese, he combines his legal expertise and technical background as a former patent engineer in Taiwan (1973–1983) to advise clients on cross-border IP matters.

Mr. Chen has established strong collaborative relationships with patent professionals across Asia, frequently advising Far Eastern agents and attorneys on U.S. patent practice while coordinating global prosecution strategies. His deep regional insight and technical-legal acumen make him a trusted advisor for multinational IP portfolios.

### Education

B.S., Electrical Engineering, National Taiwan University
