Kara Bloomer is a registered patent agent focused on the preparation of patent applications for chemical, computer, and mechanical arts as well as related strategic counseling.

Ms. Bloomer holds a bachelor's degree in Chemical Engineering and is a J.D. Candidate (2021) at the J. Reuben Clark Law school at Brigham Young University. After earning her bachelor's degree, Ms. Bloomer spent 4 years working as a process engineer for a semiconductor tool manufacturer developing processes and solutions for wafer-level bonding, lithography, mask alignment, and nano imprint technologies.

Education

J.D. Candidate 2021, Brigham Young University, J. Rueben Clark Law School

B.S., Chemical Engineering, Arizona State University, *cum laude*

Admissions

Registered Patent Agent, U.S. Patent and Trademark Office

Memberships

Student Intellectual Property Law Association (SIPLA)
David K. Winder IP Inn of Court

Experience

- Semiconductor manufacturing, process design, metrology and data analysis

Awards

- New Woman of the year – Network of Enlightened Women, 2014
- James E. Faust Scholarship Recipient

Community Involvement

Volunteer for JDRF

Publications

"Development of a double layer spray/spin coat for improving coat uniformity of an 80 micron coat process" April 26, 2012

Focus

- Patents
- Copyrights
- Trademarks
