Bringing more than 10 years of experience in patent drafting and prosecution, Kirk Coombs has a diverse background in software and computer engineering. Mr. Coombs also understands the specific needs of international patent preparation.

With past experience as a Linux Support Engineer and a deep personal interest in technology, clients appreciate his deep knowledge in hardware systems, cloud computing technologies, programming, systems architecture, and web technologies, among others.

Mr. Coombs is registered with the U.S. Patent and Trademark Office and is admitted to the U.S. Supreme Court and the Utah Supreme Court. He is a member of the Intellectual Property Section of the Utah State Bar. Mr. Coombs is an advocate for diversity in his field and is involved in diversity-forward directives with the State Bar and at Workman Nydegger.

When not practicing law, Kirk enjoys cycling, hiking in the mountains near his home, traveling with family, and pampering his dog, Titan.
