### Email

lgodfrey@wnlaw.com

### Phone

801.533.9800

Ms. Godfrey is a registered patent attorney working in the patent prosecution group. She is primarily focused on helping clients obtain patents in the US and internationally. Ms. Godfrey also has an interest in helping clients manage the strategic aspect of their IP portfolios and development. Before going to law school, Ms. Godfrey managed a drug discovery lab for a local pharmaceutical company.

### Education

- J.D., Franklin Pierce School of Law, 2021
- B.S., Chemistry, University of Utah, 2017

### Admissions

- United States Patent and Trademark Office (USPTO)

### Awards

- Presidential Scholarship Recipient

### Experience

Ms. Godfrey earned a bachelor's degree in Chemistry from the University of Utah. Her experience managing a drug discovery lab prior to law school provided her with unique insights as to the legal and strategic needs of clients in the life sciences field. Ms. Godfrey attended the University of New Hampshire Franklin Pierce School of Law and graduated in 2021. During law school, Ms. Godfrey worked for a boutique IP firm doing patent prosecution. She also has the opportunity to complete an internship focused on assisting clients with aligning their IP and business strategies.

### Community Involvement
