Rachel Perry is a registered patent attorney focused on the preparation and prosecution of patent application for the mechanical, biotech, and chemical arts.

Ms. Perry holds a bachelor's degree in genetics and biotechnology from Brigham Young University, where she spent over two years in a lab performing bioinformatic-based research on Alzheimer's disease. While attending J. Reuben Clark Law School, Ms. Perry served as the Vice President of the Brigham Young University chapter of Women in the Law and was a regional semifinalist in the Giles S. Rich Memorial Moot Court Competition.
